Good afternoon

Welcome to July, I hope you are enjoying the sunshine or rain, the football or tennis or whatever makes you happy.

# Product of the Month

To celebrate the UK environmental month, LBS would like to highlight some of our products that we have taken steps to be environmental friendly or be sustainable for now and in the future!

## Our Diet

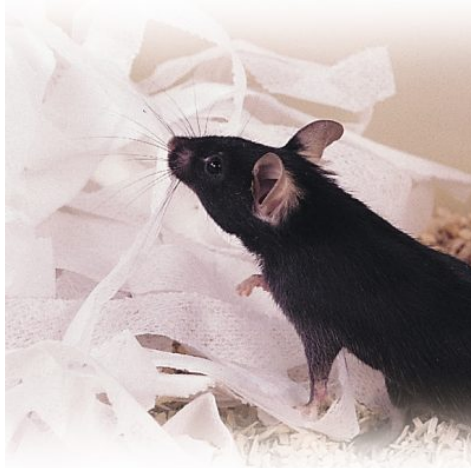

SDS diet is the only British made laboratory diet, by buying with us you automatically lower your environmental impact.

Not only do we supply of the highest quality and precision engineered diet for our animals, but SDS have signed up to:

- Buying locally and British, lowering our CO2 footprint and supporting local businesses
- Any ingredients from outside the UK, such as Palm oil, it is only bought from sustainable growers and suppliers
- Ensuring all ingredients are traceable and audited

## **LBS Bedding**

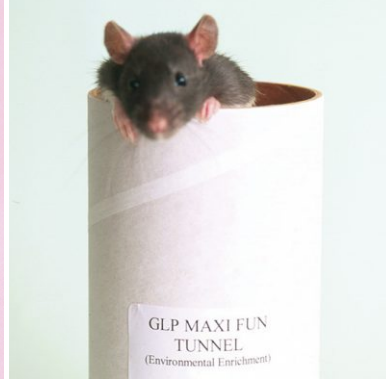

We offer an **unrivalled** selection of animal beddings created from sustainable forests and available in a wide variety of particle sizes.

GLP grades, batch numbered and certificated.

The LBS policy is to only supply the greatest products and services; but without compromising the availability of these for future generations.

## **Environmental Enrichment**

Whether our bedding is made from virgin paper fibres or recycled paper; Our aim is to ensure consistently high quality, GLP compliance and has full certification.

We are committed to offering exceptional products without effecting the environment.

## Logistics

Not only is LBS the only Bedding, Diet and Nesting supplier to operate our own logistics, but we have taken a big step in upgrading our

current lorry to a more environmental friendly vehicle and given it a fresh LBS design.

We have a dedicated delivery driver, giving you peace of mind who is delivering your items.

Keep your eyes out for it in the very near future!
